

DOBBER COURT

Dobber Court is now in session!

Need a dispute resolved in your fantasy league? Are all the owners bickering over what action to take? Did a "buddy deal" possibly go down? Was your trade wrongfully vetoed? Did somebody renege on something that you feel should have been made official? Take them to court!

No matter what your issue is, let an unbiased, fair and fantasy-hockey knowledgeable judge take a look at the matter. Does anyone fit that bill better than Dobber?

The Process:

1. Purchase your Dobber Court Session in [Dobber's Online Store](#).
2. Once paid, submit three things:
 - a) Your league rules. If these are lengthy, highlight the relevant section.
 - b) The Plaintiff (may consist of one owner, or the entire league) submits their case in 1000 words or less.
 - c) The Defendant (may consist of one owner, or the entire league) submits their case in 1000 words or less.

All submissions should be sent to DobberCourt@dobberhockey.com.

The cost – just \$40. For your standard 12-team league, that's just \$3.33 per person! Pocket change will rid your league of a big headache.

Notes:

- Judgment will be rendered within 24-72 hours of all submissions being received.
- The ruling is final. If a detail is missed because it was not sent, that is the fault of the Plaintiff or the Defendant.
- The recommended actions are obviously unenforceable by DobberHockey. It is assumed that both parties agree to abide by the ruling and implement the recommendations.
