The lowdown on: Dustin Byfuglien – Buy the guide now and learn all about Mr. Byfuglien. You will get the full scoop on his upside as a defenseman, as well as a winger – which he'll be on the power play. Lots of upside here, but just how much exactly? Buy Dobber's Guide and find out right now! Just \$9.95 or \$14.95 when you buy the Fantasy Prospects Report.

The lowdown on: BUY THE GUIDE– Elite talent, but did not get the ice time in BUY NOW!!!!. The problem with him being on Chicago is that they are flush with high-end talent in the pipeline. It's difficult to tell if BUY NOW!!!! is head and shoulders above them, given his lack of opportunity in BUY NOW!!!! the last two years...but he COULD be, and that chance alone is worth grabbing him in keeper leagues.

- BUY NOW!!!! had just seven points in 18 games when BUY NOW!!!! was hurt, but 55 in 62 when BUY NOW!!!! played. That's a 73-point pace. He's a sleeper to reach that very number, but it would depend on the health of BUY NOW!!!!.
- Incidentally, be careful when drafting BUY NOW!!!!. He had two – albeit unrelated – BUY NOW!!!! in his first year, which is not a good start. He'll slide onto my BUY NOW!!!! list if he gets another injury this year.
- BUY NOW!!!! was on a 48-point pace once he... *** Want to see more? Buy Dobber's Fantasy Guide Now! ***
